

Federal Acquisition Regulation

14.408-3

this 14.407-4, (2) the facts involved, and (3) the action taken in each case.

[48 FR 42171, Sept. 19, 1983, as amended at 50 FR 1738, Jan. 11, 1985; 50 FR 52429, Dec. 23, 1985. Redesignated and amended at 60 FR 34738, July 3, 1995; 63 FR 58602, Oct. 30, 1998]

14.408 Award.

14.408-1 General.

(a) The contracting officer shall make a contract award (1) by written or electronic notice, (2) within the time for acceptance specified in the bid or an extension (see 14.404-1(d)), and (3) to that responsible bidder whose bid, conforming to the invitation, will be most advantageous to the Government, considering only price and the price-related factors (see 14.201-8) included in the invitation. Award shall not be made until all required approvals have been obtained and the award otherwise conforms with 14.103-2.

(b) If less than three bids have been received, the contracting officer shall examine the situation to ascertain the reasons for the small number of responses. Award shall be made notwithstanding the limited number of bids. However, the contracting officer shall initiate, if appropriate, corrective action to increase competition in future solicitations for the same or similar items, and include a notation of such action in the records of the invitation for bids (see 14.204).

(c)(1) Award shall be made by mailing or otherwise furnishing a properly executed award document to the successful bidder.

(2) When a notice of award is issued, it shall be followed as soon as possible by the formal award.

(3) When more than one award results from any single invitation for bids, separate award documents shall be suitably numbered and executed.

(4) When an award is made to a bidder for less than all of the items that may be awarded to that bidder and additional items are being withheld for subsequent award, the award shall state that the Government may make subsequent awards on those additional items within the bid acceptance period.

(5) All provisions of the invitation for bids, including any acceptable additions or changes made by a bidder in

the bid, shall be clearly and accurately set forth (either expressly or by reference) in the award document. The award is an acceptance of the bid, and the bid and the award constitute the contract.

(d)(1) Award is generally made by using the Award portion of Standard Form (SF) 33, Solicitation, Offer, and Award, or SF 1447, Solicitation/Contract (see 53.214). If an offer on an SF 33 leads to further changes, the resulting contract shall be prepared as a bilateral document on SF 26, Award/Contract.

(2) Use of the Award portion of SF 33, SF 26, or SF 1447, does not preclude the additional use of informal documents, including telegrams or electronic transmissions, as notices of awards.

14.408-2 Responsible bidder—reasonableness of price.

(a) The contracting officer shall determine that a prospective contractor is responsible (see subpart 9.1) and that the prices offered are reasonable before awarding the contract. The price analysis techniques in 15.404-1(b) may be used as guidelines. In each case the determination shall be made in the light of all prevailing circumstances. Particular care must be taken in cases where only a single bid is received.

(b) The price analysis shall consider whether bids are materially unbalanced (see 15.404-1(g)).

14.408-3 Prompt payment discounts.

(a) Prompt payment discounts shall not be considered in the evaluation of bids. However, any discount offered will form a part of the award, and will be taken by the payment center if payment is made within the discount period specified by the bidder. As an alternative to indicating a discount in conjunction with the offer, bidders may prefer to offer discounts on individual invoices.
